BLACK SOCKS

Black socks, they never get dirty. The longer you wear them the blacker they get. Someday, I think I shall launder them, but something keeps telling me don't do it yet, not yet, not yet, not yet, not yet. (one group continues to repeat 'not yet' while the rest of the group sings the song again. Then switch!)

ALLY ALLY OXEN FREE

Time to let the rain fall without the help of man,
Time to let the trees grow tall, now if they only can,
Time to let our children live in a land that's free.

Ally ally ally ally oxen free. Ally ally ally ally oxen free

Time to blow the smoke away, and look at the sky again
Time to let our friends all know, we'd like to begin again
Time to send a message across the land and sea

Ally ally ally ally oxen free. Ally ally ally ally oxen free

Strong and weak, mild and meek, no more hide and seek
Time to see the fairness of a child's game
Time for men to stop, and learn to do the same
Time to make our minds up, that the world at last shall be

BATS EAT BUGS

Bats eat bugs, they don't eat people.
Bats eat bugs, they don't fly in your hair.
Bats eat bugs, they eat insects for dinner.
That's why they're flying up there.

Coyotes eat rabbits, they don't eat people.
Coyotes eat rabbits, 'cuz you're too big to bite.
Coyotes eat rabbits, they eat rabbits for dinner.
That's why they're out there in the night.

Snakes eat mice, they don't eat people.
Snakes eat mice, that's why they're on the ground.
Snakes eat mice, 'cuz you're too big to swallow.
So they don't want you hanging around.

Bears eat berries, they don't eat people.
Bears eat berries, they don't eat you or me.
Bears eat berries, but they'll steal your dinner.
So you'd better hang it high in a tree.

Nothing out there wants to eat you.
Nothing out there wants to make you its meal.
Nothing out there eats people for dinner.
'Cuz they know how sick they would feel.

Well, I walked around the corner and I walked around the block.
And I walked right into a donut shop. And I picked up a donut and
wiped off the grease. And I handed the lady a five-cent piece.

Well, she looked at the nickel and she looked at me.
And she said, "This nickel is no good, you see, there's a hole in the
middle, I can see right through" And I said there's a whole in the

FORTY YEARS ON AN ICEBERG

Forty years on an iceberg. Over the ocean wide.
Nothin' to wear but jammies. Nothin' to do but slide.
The air was cold and frosty. The frost began to bite.
I had to hug a polar bear. To keep me warm at night. Oh

DUCK DROVER

Chorus:

I'm an old duck drover from out in Montana.
Round up them duckies and drive 'em along. To a flooded corral
where we bulldog and bran 'em. Riding all day just singin' this song.

(Chorus)

Singin' Quack-Quack yippe-aay and Quack-Quack yippe-oooh
Get along little duckies. Get along real slow. It's dirty and smelly and
really don't pay. But I'll be a duck girl 'til the end of the day.

On a Saturday night as I ride into town. On a short legged piny with
my hat pulled way down but the boys don't like duck girls. I can't
figure out why. No cowhirl could be more romantic than I.

(Chorus)

There's danger, adventure and romance I know. From waddlin'
stampede to a duck rodeo. But there's loneliness too and it cuts to
the bone. When you smell like duck feathers you're always one.

(Chorus)

'Til the end of my day...

JEEP SONG:

Oh, I was born, one night, one morn. When the whistle went toot toot
You can bake a stake or fry a cake. When the mud pies are in bloom
Cause six and six make nine. And ice grows on a vine.
Is old black doe, an Eskimo. In the good old Summertime?

Ohhh, loop the loop in the noodle soup. Just give your socks a shine.
Just give your socks a shine. I'm a guilty judge, I stole the fudge.
Three cheers for Auld Lang Syne!
I cannot tell a lie. I stole an apple pie.
It's on a tree, beneath the sea. Above the clear blue sky!

Ohhh, they call me King Napoleon. But I'm not him at all.
I'm from North Dakota. Way down by old St. Paul.
They'll sue you all for slander. They'll make you all repent.
For how can I be Bonaparte if I'm the president.

Ohhh, Easter eggs don't shave their legs.
Their children all have ducks (quack quack)
I'd rather buy a lemon pie. For forty-seven bucks (too much)
Way down in Barcelona. I jumped into a phonia.
But that was all balonia. Red rooster blow your horn (toot toot!)

LITTLE CABIN IN THE WOODS

Little cabin in the woods. Little man by the window stood.
Saw a rabbit hopping by, knocking at his door.

"Help me, help me, help" he said. "Or the hunter will shoot me dead"
"Little rabbit, come inside, safely to abide"

Little cabin in the woods. Little man by the window stood.
Saw a rabbit hopping by, knocking at his door.

"Come little rabbit, come with me. Happy we will be"

Great big cabin in the woods. Great big man by the window stood.

"Come little rabbit, come inside. Safely you may hide."

THE BIRDIE SONG

Good Morning! Good Morning! The Little birds say.

ME AND MY DINOSAUR

One day when the skies were cloudy and gray
And I hoped that someone would come out and play
I heard a knock, knock and I opened the door
And there stood the loveliest big dinosaur

Me and my dinosaur
I've never had such a friend before
Big as a house 20 times and a half
And 50 times taller than any giraffe
Legs like sequoia trees. Teeth as big as piano keys
No two creatures are buddies more
Than me and my dinosaur

I got out some cookies and we had a snack
And he said he's give me a ride on his back
I started to climb from his tail to his cheek
The whole darn trip took a year and a week

We hop-scotched to Adrica quick as a breeze
While leap-frogging over the cocunt tree
Then we got thirsty after a while
In one big gulp we just drank up the Nile

MOOSE SONG

There was a great big moose. He liked to drink a lot of juice
There was a great big moose. He like to drink a lot of juice

(Chorus)
Singin' way-o way-o

Way-o way-o
Way-o way-o way-o way-o

The moose's name was Fred. He liked to drink his juice in bed
The moose's name was Fred. He liked to drink his juice in bed

(Chorus)

He drank his juice with care. But then he poured it in his hair
He drank his juice with care. But then he poured it in his hair
He drank his juice with ice and it tasted really nice
He drank his juice with ice and it tasted really nice
Now he's a sticky moose, full of juice! On the looooooose!!

ONE DAY (Echo...)

One day.....	Walking in the sun.....
We laughed,	Friendship had begun.....
Same day.....	Talking in the sun.....
Two there.....	Be-coming one.....
Time passed.....	Friends apart.....
Friendship lasts.....	Bonds between hearts.....
Two together.....	Two alone.....
Love each other.....	Find their way home.....
One day.....	Forever long.....
Build a bond.....	Forever strong.....

ON THE LOOSE

(Chorus)
On the loose to climb a mountain. On the loose where I am free
On the loose to live my life the way I think my life should be
For I only have a moment and the whole world yet to see

I'll be looking for tomorrow on the loose
Have you ever seen the sunset turn the sky completely red?
Have you slept beneath the moon and stars with a pine bough for
your head?
Have you ever sat and talked with friends, though a word was never
said?
Then you're like me and you've been on the loose
(Chorus)

There's a trail that I've been hiking just to see where it might go
Many places yet to visit, many people yet to know
So in following my dreams, I will live and I will grow
On the trail that's waiting out there on the loose
(Chorus)

So in search of love and laughter, I'll be traveling through this land
Never sure of where I'm going for I haven't any plan
So in time when you are ready, come and join me, take my hand
And together we'll find life out on the loose.

Way up in the land of ice and snow.
Where the temperature drops 40 below.
Who's the happiest one up there? Percy, the pale faced polar bear.

Sleeps all day and then at night.
Catches some fish by the pale moonlight.
Has no worries, has no cares. Percy, the pale faced polar bear.

Then one day a hunter came. Caught poor Percy by the snout.
Put him in a great big cave. Percy howled and growled but he
couldn't get out. Now he's living in a zoo.

And she loves Percy, the pale faced polar bear. Who?
Percy, the pale faced polar bear!

THE HIPPOPOTAMUS SONG

What can make a hippopotamus smile?
What can make him walk for more than a mile?
It's not a tune on the old violin. Or listening to the whistling wind.
That's not what hippos do!

They ooze in the goose without any shoes.
They wade in the water 'till their lips turn blue.
That's what makes hippopotamus smile.

What can make a hippopotamus smile?
What can make him walk for more than a mile?
It's not a party with paper hats. Or cakes and candies that make him
fat. That's not what hippos do!

The Princess Pat. Lived in a tree. She sailed across. the seven seas.
She sailed across. the channel 2. And brought with her.

channel too. But his ship sank. And yours will too. If you forget. The
Ricky Dan Doo!

THE CROCODILE SONG

Oh, she sailed away on a bright and sunny day.

One the back of a crocodile. You see, said she, he's a tame as he can be. I'll ride him down the Nile! Well, the croc winked his eye, as she waved them all goodbye. Wearing a happy smile.

At the end of the ride, the lady was inside.

And the smile was on the crocodile. (clap. clap)

LITTLE SALLY WALKER (circle game)

Little Sally Walker, walkin' down the street,

She / He didn't know what to do, so she / he stopped in front of me,

She / He said, "Hey girl/boy, do your thing, do your thing and switch!"

Hey girl / boy, do your thing, do your thing and switch!

SHOOTING STAR

Please won't you catch, a shooting star for me

And take it with you on your way

Though it seems like we just met,

You're the one I won't forget

Hope some kind wind blows you back my way

(Chorus)

And I was thinking maybe somewhere later down the road

After all our stories have been told

I'll sit and think of you, a dear friend I once knew

Shot through my life like a shooting star

Sometimes I know, that a part of you will show

Deep in my eyes or in my smile

There will always be a part of you, deep inside my heart

And I'll know just when to let it go

(Chorus)

You are so dear, you're my light and shining star

You brighten up my each and every day

You are so near, but soon you'll be so far

So why not just hold my hand today

(Chorus)

THE BEAR SONG

This is a repeat after me song

The other day / I met a bear / A great big bear / Oh way out there

He looked at me / I looked at him / He sized me up / I sized him up

He said to me / Why don't you run / I see you ain't / Got any gun

And so I ran / Away from there / But right behind / Me was that bear

Ahead of me / There was a tree / A great big tree / Oh lucky me

The nearest branch / Was ten feet up.

I'd have to jump / And trust my luck.

And so I jumped / Into the air

But I missed the branch / Oh way up there

Now don't you fret / And don't you frown / For I caught that branch

On my way down

That's all there is / There ain't no more / Unless I meet / The bear

once more
